

Mark, KD8SOL and Ron, N8VAR

## Purpose

- To promote community wide understanding of the amateur radio communications service available to the public during times of emergency or natural disaster.
- To organize and train units capable of maintaining communications during emergencies as a public service.
- To promote interest and proficiency in amateur radio communications with respect to improving operating and technical skills.
- To conduct activities and programs to advance the general interest and welfare of amateur radio in our community.
- And to have fun with Amateur Radio!

## Who We Are

### About Us!

HHARC was organized in 1979 to advance the hobby of Amateur Radio in Huber Heights and Dayton Ohio USA. We have members from all over, of all ages, of all skill levels.

### Contact Us!

Radio: 442.950+ 118.8Hz PL

224.30- 123.0Hz PL

Email: [hharc@hharc.org](mailto:hharc@hharc.org)

Web: [hharc.org](http://hharc.org)

### Join Us!

Yearly dues are \$10.00 and are due each April.

Dues are payable at any meeting or by contacting the Treasurer: [hharc@hharc.org](mailto:hharc@hharc.org)

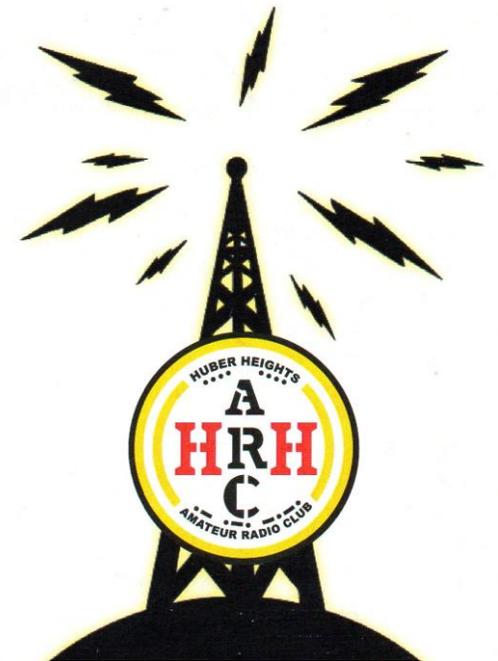

### Learn & License with Us!

HHARC test sessions are listed inside, in addition the Dayton Amateur Radio Association also holds testing. Visit [www.arrl.org](http://www.arrl.org) for test session info and answers to many other questions for the beginner.

Please contact the club via email for a mentor to help you get started.

## What we're about

### Mission Statement

The Huber Heights Amateur Radio Club, as a non-profit organization, advances all aspects of the art of wireless communications to serve the public interest of the community of Huber Heights, Ohio, surrounding communities and the United States.

---

*"Don't be Shy! We'd Love to  
have you join us!"*

---

## What we do

### Weekly Net

Thursday nights at 8:30 PM, HHARC holds a weekly net on our 442.950+ PL 118.8 Hz repeater - also on EchoLink and on our 224.300- PL 123.0 Hz Repeater. Newcomers to Amateur Radio are especially invited; we are all learners in the hobby.

### Club Meetings

We hold our monthly club meetings from 10 AM to noon on the first Saturday of each month except July and August. We meet in "The Forge" building in the back of First Christian Church, 6114 Fishburg Rd, Huber Heights, OH.

### Helping New Hams

HHARC prides itself on helping new hams get on the air, learn the hobby and generally join in as friends. It's an integral part of us!

### License Testing

HHARC sponsors Amateur Testing for all license classes. They are held at the Huber Heights First Christian Church, 6114 Fishburg Rd, Huber Heights, located in the back building called "The Forge". All testing is done on the second Saturday, every even month (February, April, June, etc.) at 9:30 AM. Walks-ins are welcome if space is available. For more information e-mail [hharc@hharc.org](mailto:hharc@hharc.org) or visit [arrl.org](http://arrl.org).

### HamVention

HHARC is blessed by proximity to the world's largest gathering of Amateur Radio enthusiasts. Each May, HHARC members both volunteer and gather at HamVention.

### Field Day

Held every June Field Day is when we bring our radios outside to make contacts worldwide, eat and socialize with other hams.

### Public Service

HHARC supports the city of Huber Heights' activities such as parades and festivals.
